

# Table of Contents

	<b>Introduction</b> .....	xi
<b>Chapter 1</b>	<b>Preparing for the Certification Examination</b> .....	1
	Create a Personal Study Plan .....	1
	Preparation for Taking a Multiple-Choice Test .....	2
	Examination Day Preparation .....	3
	Examination Hints .....	3
	The Test .....	4
	The COTA Test Outline .....	4
<b>Chapter 2</b>	<b>Occupational Performance: Theoretical Foundations and Interventions of Occupational Therapy</b> .....	7
	Occupational Therapy Frames of Reference and Practice Models Defined .....	7
	Criteria .....	7
	Uniform Terminology .....	7
	Performance Areas .....	8
	Performance Components .....	9
	Occupational Therapy Practice Framework: Domain and Process .....	10
	Activity Analysis .....	10
	Functional Kinesiology Issues in Practice .....	12
	Key Points in Kinesiology .....	13
	Kinesthetic Analysis of Functional Tasks .....	15
	Final Note .....	16
	Theory Defined .....	16
	Practice Models .....	17
	Occupational Performance .....	17
	Model of Human Occupation .....	18
	Behaviorism .....	19
	Sensory Integration .....	20
	Psychoanalytic .....	21
	Developmental .....	22
	Treatment Process Overview .....	22
	Referral .....	22
	Screening .....	22
	Evaluation and Assessment .....	22
	Treatment Planning .....	23

	Implementation of Treatment . . . . .	23
	Re-Evaluation . . . . .	24
	Discharge Planning . . . . .	24
	Termination of Treatment . . . . .	24
	Clinical Reasoning Questions . . . . .	25
<b>Chapter 3</b>	<b>Occupational Therapy and Childhood Development . . . . .</b>	<b>29</b>
	Normal Development Through Childhood . . . . .	29
	Basic Concepts of Typical Development . . . . .	29
	Developmental Theories . . . . .	30
	Issues in Pediatric Occupational Therapy . . . . .	31
	Areas of Development and the Law . . . . .	31
	Activity Analysis in Pediatrics . . . . .	32
	Areas of Preparation: What You Should Study . . . . .	32
	Occupational Therapy Interventions in Pediatrics . . . . .	37
	Common Pediatric Conditions . . . . .	37
	Settings and Approaches . . . . .	42
	Assessments . . . . .	43
	Common Treatment Approaches in Pediatrics . . . . .	43
	Clinical Reasoning Questions . . . . .	45
<b>Chapter 4</b>	<b>Occupational Therapy Application to Physical Dysfunction . . . . .</b>	<b>47</b>
	Adult Development . . . . .	47
	Physical Development . . . . .	47
	Psychosocial . . . . .	47
	Cognitive . . . . .	48
	Sexuality . . . . .	48
	Frames of Reference or Treatment Models . . . . .	49
	Neurodevelopmental . . . . .	49
	Proprioceptive Neuromuscular Facilitation (PNF) . . . . .	50
	Movement Therapy . . . . .	51
	Assessment Tools for Persons With Physical Dysfunction . . . . .	52
	Occupational Therapy Application to Specific Diseases and Injuries . . . . .	53
	Cerebrovascular Accident (CVA) . . . . .	53
	Traumatic Brain Injury (TBI) . . . . .	54
	Spinal Cord Injury (SCI) . . . . .	55
	Burns . . . . .	58
	Low Vision . . . . .	58
	Degenerative Neurological Disorders . . . . .	59
	Degenerative Joint Disease . . . . .	59
	Amputations . . . . .	60
	Chronic Pain . . . . .	61
	Modalities . . . . .	62
	Exercise . . . . .	62

	Range of Motion (ROM) .....	62
	Physical Agent Modalities (PAMS) .....	63
	Wheelchair Selection and Positioning .....	63
	Transfers .....	64
	Splinting .....	64
	Criteria for Fitting a Hand Splint .....	64
	Assistive Technology .....	65
	Americans With Disabilities Act (ADA).....	66
	Title I: Employment .....	66
	Title II: Public Services .....	66
	Title III: Public Accommodation .....	66
	Title IV: Telecommunications .....	67
	Title V: Miscellaneous .....	67
	Work and Work Programs .....	67
	Settings .....	67
	Populations .....	67
	Vocational Training .....	68
	Vocational Training vs. Rehabilitation .....	69
	Work Rehabilitation Activities .....	70
	Physical Tolerances .....	70
	Work Behaviors .....	72
	Functional Abilities .....	72
	Functional Capacity Evaluations .....	72
	Clinical Reasoning Questions .....	73
<b>Chapter 5</b>	<b>Psychosocial Occupational Therapy Practice .....</b>	<b>77</b>
	Normal Psychosocial Development .....	77
	Therapeutic Use of Self .....	77
	Allen's Cognitive Disabilities .....	78
	Conditions in Practice .....	79
	Thought Disorders .....	80
	Mood Disorders .....	80
	Anxiety Disorders .....	80
	Developmental Disorders .....	81
	Organic Disorders .....	82
	Substance Abuse .....	82
	Personality Disorders .....	83
	Group Process .....	84
	Medications .....	85
	Mental Health Diagnosis Axes (DSM-IV) .....	87
	Assessment Tools .....	87
	Clinical Reasoning Questions .....	88
	Additional Ideas for Study .....	89

<b>Chapter 6</b>	<b>Occupational Therapy Applications and Aging</b> . . . . .	91
	Theories of Aging . . . . .	91
	Developmental . . . . .	91
	Physical . . . . .	91
	Cognitive . . . . .	92
	Psychosocial . . . . .	92
	Social/Cultural . . . . .	93
	Assessments . . . . .	94
	Occupational Therapy Application to the Disease Processes of Aging . . . . .	95
	Physical Risk Factors and Processes of Aging . . . . .	95
	Neurological Risk Factors of Aging . . . . .	98
	Cardiopulmonary Risk Factors of Aging . . . . .	101
	Endocrinal Diseases or Diabetes (DM) . . . . .	102
	Cancer . . . . .	102
	Adaptive Technology . . . . .	104
	Clinical Reasoning Questions . . . . .	105
<b>Chapter 7</b>	<b>Occupational Therapy Application to Management and Professional Behaviors</b> . . . . .	109
	Terms and Functions . . . . .	109
	Role Delineation . . . . .	109
	Standards for Practice . . . . .	111
	Core Values . . . . .	111
	Code of Ethics . . . . .	111
	Documentation . . . . .	112
	Clinical Reasoning Questions . . . . .	112
<b>Appendix A</b>	<b>Screenings and Evaluations</b> . . . . .	117
<b>Appendix B</b>	<b>Answers to Clinical Reasoning Questions</b> . . . . .	119
<b>Appendix C</b>	<b>Practice Test 1</b> . . . . .	129
<b>Appendix D</b>	<b>Practice Test 2</b> . . . . .	189
	<b>References</b> . . . . .	251

## List of Tables

Table 2.1	Role of the COTA .....	25
Table 3.1	Low/High Tech Assistive Technologies .....	42
Table 5.1	Common Medications .....	85–86
Table 5.2	Diagnostic Statistical Manual (DSV–IV) Axes .....	87
